WORK EXPERIENCE

- CONCENTRIX - SPARKS

MAY 2025 - NOW

Technical Support

Resolving technical concerns and delivering excellent customer service under pressure while multitasking. Responsibilities include managing cases, setting appointments, presenting package options, ensuring clear communication, and addressing multiple customer issues daily.
- AMACC - PASIG BRANCH

SEP 2024 - JAN 2025

IT Intern

Provide timely technical support for troubleshooting software and hardware issues, as well as maintenance and support. Manage inventories, oversee repairs and replacements, and install equipment to address primary concerns promptly.
- FREELANCER

N/A

N/A

At that time, I had no permanent job and sought freelance opportunities within my skill set, delivering efficient, quality work. My roles included fitness trainer, blue-collar worker, and programmer, all without requiring a license, to gain valuable experience.

ACHIEVEMENT

- SUMMA CUM LAUDE

Graduated in December 2025

A living proof that I'm committed that maintaining my academic grades to ensure I can support my family in the near future.
